

## Shore Builders Association of Central NJ's 15<sup>TH</sup> Annual Beach Party and Dune Buggy Race Draws Statewide Attention

It is once again time for the Shore area's biggest networking event – the 15<sup>th</sup> Annual Beach Party at Martell's Tiki Bar on the beach in Point Pleasant and this year they have added an exciting Dune Buggy Race on the Beach. Shore Builders Association of Central NJ invites all members of the state's Builder's Associations to join them for food and fun in a casual beach atmosphere on Thursday, August 12<sup>th</sup> from 6:00 PM to 9:30 PM. This favorite SBACNJ event is a great chance to meet and network with the finest people in the homebuilding industry. It's also the best way to get yourself and your company in the spotlight by participating in the Remote Control Dune Buggy Races. Associate members are invited to sponsor a Builder member's Dune Buggy to raise money for Industry Defense. By participating in the sponsorship, Associate members can become part of the "Pit-Crew" for their Builder's car. According to Gina Woolley, Executive Officer of SBACNJ, "The new Dune Buggy races are a fun and exciting way for members to come together for a great cause within our industry. We are sure that this will become a quick favorite and look forward to continuing this new tradition in the coming years."

The event is expected to be attended by close to 400 members and non-members. Time is running out for Pit Crew Sponsorships so I recommend that anyone interested in sponsoring their Builder's Dune Buggy, act now." , Woolley continues.
