

## **SBACNJ Hosts the 53<sup>rd</sup> Annual Golf Classic in June**

Shore Builders Association of Central New Jersey's 53<sup>rd</sup> Annual Golf Classic will be held on Monday, June 14<sup>th</sup> at the Jumping Brook Country Club in Neptune. Registration begins at 11:30 AM, followed by a barbeque lunch and a friendly, yet competitive round of golf. The Association is currently taking reservations for individuals for \$275.00 and foursomes for \$1,100.00. "Our annual golf tournament is one of the best networking functions that SBACNJ provides during the year. With great weather, great friends and a lot of fun we have kept the tradition going for 53 years. It is one of the favorite and best attended events we plan for both Builder and Associate members", comments Dwight Pittenger, President of SBACNJ. During the day golfers will compete for prizes for Longest Drive (both Women & Men), Straightest Drive, Closest to the Pin, Top Foursome, Lowest Score Mixed Foursome and a Putting Contest.

In addition to reserving a spot to play, there are several marketing and sponsorship opportunities for those that would like to promote their company to other members of the Association. According to Gina Woolley, Executive Officer of SBACNJ, "There are several sponsorships and marketing opportunities still available, including driving range sponsorship, lunch, cocktail hour, competition holes and snack stand marketing opportunities just to name a few. Now is the time to reserve your sponsorship to ensure your exposure to our membership at this highly anticipated event." After a day of golf, members will attend a cocktail reception at the club with an open bar, carving stations and various hors d'oeuvres, while the prizes for the day are awarded. Members who do not attend the golfing activities during the day can attend this part of the event with tickets for just the cocktail reception at \$85.00 per person.

In addition to the Annual Golf Classic, several other key programs and events are scheduled for this summer including the hugely attended annual Barbeque on the Beach at Martell's Tiki Bar in Pt. Pleasant, where for the first time ever SBACNJ will be raising money for Industry Defense in the form of remote control Dune Buggy Races. This is sure to be a future favorite event. Registrations and marketing opportunities are available now for this event. Information on these events and more is available by calling the Association.
