

PRESS RELEASE

SBACNJ Members Makes Toys For Tots Collection a Success

As part of the Shore Builders Association of Central NJ General Membership meeting in early November, members were asked to bring a new, unwrapped toy to benefit the Toys For Tots toy drive, which is a mission of the U. S. Marine Corps Reserve to collect toys during October, November and December each year, and distribute them as Christmas gifts to needy children in the community where the campaign is conducted. The members of the Shore Builders Association were more than generous this year, donating dozens of toys to bring joy to needy children in our area this holiday season. According to the President of the Association, Linda Bernaski, "As usual, our members went above and beyond to help others in need. It is a true testament to our Association, whose members are always ready, willing and able to provide for others. It is especially important that we continue to support families who are struggling during this holiday season. I'm so proud that we are able to be a part of this amazing program."

In addition, the Association presented the 2009 Awards to members who have stood out in their support of the Shore Builders Association. Congratulations to the following members for their accomplishments.
