

## Don't Miss Shore Builders Association of Central NJ's Annual Awards and November General Membership Meeting

On Wednesday, November 10, 2010, the Shore Builders Association of Central NJ will be hosting their next General Membership and Annual Awards Meeting at the Crystal Point in Point Pleasant with cocktail hour beginning at 6:00PM. In addition to providing an excellent opportunity to network with many builders and associate members, there will be an awards presentation to honor the 2010 Annual Award Recipients including the Committee Chair Awards and the coveted BEAM Award, which is presented to a Builder Member who has exemplary business practices by utilizing Associate Members in a true partnership manner. "The builder who receives the BEAM Award has demonstrated that they understand and live by the very core values of this Association. Doing business with Associate Members is good business and our BEAM Award winner this year has certainly provided many Associate Members with opportunities as true business partners," comments Dwight Pittenger, President of the Shore Builders Association of Central NJ. In addition to the Annual Awards, the evening will also include the annual elections for the 2011 Officers and Board of Directors. According to Gina Woolley, Executive Officer of SBACNJ, "All members are encouraged to attend this most important meeting, as it's truly an evening that epitomizes exactly what the Association is all about."

SBACNJ would like to thank their master sponsors BHB Insurance Services, C&L Sweeper Services, D.W. Smith Associates, FWH Associates, Ferguson Enterprises, Palatial Homes, Inc., Pulte Homes and ProBuild. The Association would like to extend a very special welcome to their newest Master Sponsor, Birdsall Services Group. It is through their dedication and generosity that programs such as the presentation of the Annual Awards can be provided to their membership.

The end of the year is always a busy time for the SBACNJ and we invite all members to join in congratulating the incoming Officers and Board of Directors in the 2010 Commemorative Yearbook. Ad space is still available and will be a part of the December Bulletin Board Magazine, which will be distributed at the Annual Installation/Holiday Party in December. It will also be mailed to each member of the Association. Don't miss this valuable opportunity to promote your company by placing an ad!
