

Shore Builders Association of Central NJ's October General Membership Meeting- Featuring the directory of the Division of Land Use Regulations DEP, Tom Micai”

On Wednesday, October 13, 2010, the Shore Builders Association of Central NJ will be hosting their next General Membership Breakfast Meeting at the Quality Inn on Route 37 East in Toms River at 9:00AM. In addition to providing an excellent opportunity to network with many builders and associate members, there will be a variety of breakfast foods, including an omelet station which is sponsored by NJ Natural Gas. As part of the General Membership meeting, the SBACNJ has invited Tom Micai, Director of the Division of Land Use Regulations DEP to provide information to the membership on how builders may be impacted by one or more of the protective programs administered by the Division of Land Use Regulation. “Anyone interested in buying land, building a home, store or marina may be affected by new or existing regulations by this governmental agency. We are looking forward to seeing many of our members take advantage of this once-in-a-lifetime opportunity to get information first hand from a Division representative,” comments Dwight Pittenger, President of the Shore Builders Association of Central NJ.

SBACNJ would like to thank their master sponsors BHB Insurance Services, C&L Sweeper Services, D.W. Smith Associates, FWH Associates, Ferguson Enterprises, Palatial Homes, Inc., Pulte Homes and ProBuild. The Association would like to extend a very special welcome to their newest Master Sponsor, Birdsall Services Group. It is through their dedication and generosity that programs such as the presentation at the General Membership Breakfast Meeting can be provided to their membership.

Members are encouraged to attend and tickets are available through the SBACNJ for \$50.00 each and Non-Members are welcomed to attend for \$55.00 per ticket. For more information on SBACNJ, Master Sponsorships or this event, please contact the SBACNJ at 732-364-2828 or [www.shorebuilders.org](http://www.shorebuilders.org) for more information or registration.
